

**CURIOSITY** will still lead the way.

**IMAGINATION** will still be our biggest asset.

**TODAY'S CHILDREN** will be tomorrow's technology leaders. They will share our sense of wonder. They will still love and celebrate life. But they will find newer ways of making life spectacular

# About Us

Largest electronics distributor  
and retailer in the UAE Since 1967

Eros Group is a 53- years reputed organization specializing in the distribution and retail of consumer electronics, mobility, IT, Home Appliance and convergence products.

The Group benefits from its base in the UAE which is strategically positioned at the crossroads of Asia, Africa and Europe with a serving ability to over two billion people. The organization reaches out to this wide audience through a complex channel mix which includes Power Retailers, Independent Retailers, Souq Markets, Re-Exporters, System Integrators, Architects, Consultants and experts.

The Group has evolved from a one-store, one-brand distribution house to build a portfolio of world-class International brands and retail stores including brand boutiques. The Group has expanded beyond its borders to serve not only customers in UAE but also on select markets in the Middle East and North Africa (MENA) Region. The Organization proudly partners with over fourteen international brands, operates fifteen retail stores and has three service centers across the UAE. Eros Group continues to operate through a seamless logistical process daily to deliver on its core objective: Customer Delight.

# Our Strengths

Eros Group's Comparative strengths includes:

**50+**  
Years in Business

**14+**  
Partner Brands

# Our Values

## Our Vision

To stay a preferred partner for distribution, retailing, marketing and service of consumer, Electronics, Home Appliances, Telecom, IT, Digital Convergence Products, Engineering Goods and Service and any other adjacent industry of Choice.

## Our Mission

We are committed to bringing value to all our stakeholders by operational and financial excellence, ethical and best-in-class practices that are built on tenets of integrity, loyalty and trust. We want to be an inspiration to the industry by leading change for the betterment of business and for community at large.

## Our Values

Quality service , Business Ethics  
Personal Accountability, Resilience  
& Collaboration.

# Air-Conditioning Business Group

“Customers right choice as destination to seek  
Thermal Comfort & Indoor Air Quality Solution”

EROS Air-conditioning Business Group (ACBG) is led by a vision & responsibility towards the society & environment to build better air-conditioning facilities with a strong emphasis on energy efficiency, reliability & prompt after sales service

EROS Air-conditioning Business Group works on turnkey projects i.e. undertaking complete SITC (Supply, Installation, Testing & Commissioning)

Air-Conditioning Business Group also undertakes Design & Engineering for specific projects as per clients requirements, and provides after sales services to Residential & Commercial buildings, mixed used applications, Villa Complexes, including customized solution for Luxury Villas, Industrial projects, Factories, Schools, Mosques, Hypermarkets, Labour Camps and various other segments.

We take pride in the fact we listen to our customers, understand their requirements and offer prompt workable and practical solutions to suit their individual needs. All customer complaints are reviewed on daily basis at our AC Service Dept. and proactive steps are taken to minimize repeated complaints.

Eros undertakes all aspects of the air-conditioning business for its clients & deals with major brands including and not limited to:

Under Galaxy Cooling Technologies

Thermal Insulation

Split Systems

### T-Class™ Large Split Systems

Reliable, cost-effective and service-friendly split systems.

- Energy Star (60Hz in US)
- R410A<sup>2</sup>
- 6-20 Tons
- 380/3/50

#### Efficiency

- Up to 11.7 EER
- **Scroll compressor(s)** provides smooth, efficient and quiet operation
- Available [MSAV® supply fan](#) provides year-round savings and comfort with reduced energy consumption, improved indoor air quality and code compliance
- **Outdoor coil fan** moves large volumes of air uniformly through entire condenser coil for high refrigerant movement
- **Copper tube/enhanced fin coil** provides maximum exposure of fin surface to air stream resulting in excellent heat transfer

#### Serviceability

#### Reliability

### T-Class™ Air Handlers

Designed to match with the TSA/TPA to provide optimum performance.

- Energy Star (60Hz in US)
- Fully Assembled Units
- Multi-Position Air Handler
- 6-20 Tons
- 380/3/50

#### Efficiency

#### Comfort/IAQ

#### Serviceability

#### Reliability

- **Multi-circuit, copper tube coil** provides maximum cooling efficiency, excellent heat transfer and low air resistance
- **Belt drive blowers** deliver large volumes of air quietly and efficiently
- Available [MSAV® supply fan](#) provides year-round savings and comfort with reduced energy consumption, improved indoor air quality and code compliance

Split Systems

T-Class™ Air Conditioners (TSA) and Heat Pumps (TPA)

True performance backed by rugged durability.

- Energy Star (60Hz in US)
- 6-20 Tons
- 220/1/50, 380/3/50
- Exceptional Availability in R22

BCRM Air Handler

Great match for S-Class® or T-Class™ high-efficiency air conditioners and heat pumps.

Efficiency Comfort/IAQ Serviceability Reliability Options

- Up to 16.2 SEER and 9.7 HSPF
- **Scroll compressor** provides smooth, efficient and quiet operation
- **High-efficiency outdoor coil** provides exceptional heat transfer and low air resistance for high-efficiency operation
- **Precision-balanced, direct-drive fan** is designed to run slower for an enhanced level of quiet operation
- ENERGY STAR® qualified

Efficiency Comfort/IAQ Serviceability Reliability

- 1.5- to 5-ton capacities
- **Electric heat options** - CBX32MV available in 230/1/60 and 230/3/60; CB32M available in 230/1/60, 230/3/60, 460/3/60 and 575/3/60
- **Voltage options** - CBX32MV available in 230/1/60; CB32M available in 230/1/60, 460/3/60 and 575/1/60
- **High-efficiency coil** provides exceptional heat transfer and low air resistance for high-efficiency operation

## Air Handling Units - CLEANAIR LX

The LX air handling units are available in 44 sizes with air flows from 1000 m<sup>3</sup>/h up to 100.000.m<sup>3</sup>/h, and ESP till 2.500 Pa. Custom execution is anyway available, with higher values of air flow and pressures. Wide range of sizes let the choice be the best, reaching the desired parameter. The series is developed in dimensions (width, height and length) multiple of a base pitch module of 160 mm, and takes in consideration 28 sizes rectangular based and 16 sizes extra low.

1000-100.000 m<sup>3</sup>/h

# Air-Conditioning Business Group

## Certification

LX Units are Eurovent certified according to:

EN1886 Ventilation for buildings - Air Handling Units -  
Mechanical performance.

EN13053 Ventilation for buildings - Air Handling Units - Ratings  
and performance for units, components and sections.
